

Cape May MAC GROUP TOURS

Welcome to Cape May

Celebrating 50 years, Cape May MAC, a non-profit organization, has become a leading interpreter of Cape May history, culture and the arts. Cape May MAC restores and operates three historic sites, offers a diverse range of trolley tours, step-on guide tours and much more.

1879 Emlen Physick Estate

Designed by renowned Victorian architect Frank Furness, the Emlen Physick Estate is Cape May's only Victorian house museum. A visit to this beautifully restored mansion provides a glimpse into the Victorian lifestyle. The Carriage House on the grounds is home to the Carroll Gallery with its changing exhibits, the Museum Shop and on-site dining.

1859 Cape May Lighthouse

The Cape May Lighthouse is located in Cape May Point State Park, which just happens to be one of the world's premier birding spots. The tower is both a museum of maritime history and a working lighthouse. A climb up its 199 steps offers a breathtaking view of the Cape.

1942 World War II Lookout Tower

The World War II Lookout Tower tells the story of Cape May's integral role in homeland defense during the war. No tour is complete without a visit to the Wall of Honor dedicated to local veterans, located on the third floor, and the All Veterans Memorial located on the rear deck.

Trolley Tours

Our trolleys provide a variety of day and evening narrated tours through Cape May's Historic District and beyond. Visitors can learn about its unique architecture and colorful history, its paranormal activity, its role in the Underground Railroad, or enjoy a front row view of Cape May's holiday decorations and more.

Step-on Guide Tours

For your convenience, a Cape May MAC guide can step aboard your bus and accompany your group on an informative and entertaining tour.

- Cape May Point
- Cape May Point with Sunset Beach Flag Lowering Ceremony
- Natural Habitats
- Our Ocean's Bounty
- World War II Tour

Cape May MAC considers the City of Cape May, with its unparalleled collection of Victorian era buildings, a museum without walls.
