

Cape May MAC GROUP TOURS

America's First Seaside Resort

Cape May MAC considers the City of Cape May, with its unparalleled collection of Victorian era buildings, a museum without walls.

1879 Emlen Physick Estate

The Emlen Physick Estate is Cape May's only Victorian house museum. A visit to this beautifully restored mansion provides a glimpse into the Victorian lifestyle. The Carriage House is home to the Carroll Gallery with its changing exhibits and the Museum Shop.

1859 Cape May Lighthouse

The Cape May Lighthouse is located in Cape May Point State Park, one of the world's premier birding spots. The tower is both a museum of maritime history and a working lighthouse. A climb up its 199 steps offers a breathtaking view of the Cape.

1942 World War II Lookout Tower

The World War II Lookout Tower tells the story of Cape May's integral role in homeland defense during the war. No tour is complete without a visit to the Wall of Honor dedicated to local veterans and the All Veterans Memorial.

Trolley Tours

Our trolleys provide a variety of day and evening narrated tours through Cape May's Historic District and beyond. Visitors can learn about its unique architecture and colorful history, its paranormal activity, its role in the Underground Railroad, or enjoy a front row view of Cape May's holiday decorations and more.

Step-on Guide Tours

A Cape May MAC guide can step aboard your bus and accompany your group on an informative and entertaining tour.
