

# ENJOY THREE DAYS IN CAPE MAY!

## DAY ONE

### **11:30AM-1PM Lunch at Anglesea Pub**

Located in historic North Wildwood, NJ, Anglesea Pub offers a fantastic authentic Irish Pub experience. The building originally opened in 1885 as the Germantown Hotel and was once a place where local fishers could enjoy themselves after a long day on the water. The building changed hands to the Bishop family in 1917 and has been known as the Anglesea Pub ever since. Hailing from Ireland, The McMullan brothers have incorporated their heritage into the pub's atmosphere and strive to provide their customers with the most enjoyable experience.

### **1:30PM-3:30PM Combination Trolley, Physick Estate & Carroll Gallery Exhibit**

A tour of the Physick Estate today offers a look back at our Victorian past as evidenced by its architecture, decorative arts, customs, and the lives of one particular Cape May family, the Physicks. Emlen Physick Jr., his widowed mother, Frances Ralston, and his maiden aunt Emilie Parmentier moved into their home when it was completed in 1879.

Emlen, who never married, was descended from a famous and wealthy Philadelphia family. His grandfather, Dr. Philip Syng Physick, was considered the father of American surgery and invented numerous surgical procedures and medical instruments that are still in use today.

Your tour also includes a visit through Cape May on board our quaint trolley. Travel through the Historic District as a knowledgeable guide presents entertaining and educational stories about the nation's oldest seashore resort. See the oldest residential street in town, landmark buildings, gingerbread houses, Victorian architectural features, and the Grand Dames of Cape May.

Following these tours, your group will visit the current Carroll Gallery Exhibit.
