## DAY ONE

### 12:30PM-2:00PM Lunch at Anglesea Pub

Located in historic North Wildwood, NJ, Anglesea Pub offers a fantastic, authentic Irish pub experience. The building originally opened in 1885 as the Germantown Hotel and was once a place where local fishers could enjoy themselves after a long day on the water. The building changed hands to the Bishop family in 1917 and has been known as the Anglesea Pub ever since. Hailing from Ireland, the McMullan brothers have incorporated their heritage into the pub's atmosphere and strive to provide their customers with the most enjoyable experience.

### 2:45PM-3:45PM Ghosts of Cape May Trolley & Carroll Gallery Exhibit

What was that shadow? Was it the undead of Cape May's past wandering their beloved haunts? You might scoff, you might shudder, but rest assured: on board a trolley with an experienced guide, you will begin to wonder what's beyond when you hear the tales of hauntings unearthed in Cape May by renowned psychic medium and author Craig McManus.

### Cape May - First and Only

The year 2026 marks not only the 250th anniversary of our nation's founding with the signing of the Declaration of Independence, it marks two significant anniversaries for the City of Cape May: the 175th anniversary of its incorporation as a city, and the 50th anniversary of its designation as a National Historic Landmark. Cape May, the first and only, hails its unique place in 2026 as "America's First Seaside Resort" and the nation's only National Historic Landmark City. As the nation commemorates its founding, Cape May proudly reflects on its own journey, honoring its heritage while embracing a future built on the strength of community, culture, and timeless charm. Cape May MAC

partners with the City of Cape May to mount this once-in-a-lifetime exhibit dedicated to celebrating these two remarkable and important Cape May anniversaries.

### 4:15PM Check into your Hotel

### 6:30PM-8:30PM Dinner at The Lobster House

Enjoy dinner at The Lobster House Restaurant serving the freshest seafood available, often from their fleet of commercial boats. Dine in one of their five unique and picturesque dining rooms overlooking Cape May Harbor.

### 7:30PM-8:15PM Temperance Debate

In the late Victorian period, the topics of temperance and prohibition were widely discussed in Cape May, just as they were in other parts of the country. This immersive program portrays a heated debate between a saloon owner from the community and a member of the Women's Rights Movement, along with other reformists.
